Now before the court is the Defendants' Administrative Motion For Leave To File Documents Under Seal. Upon consideration of the motion and the supporting declaration filed therewith, the court finds there to be good cause for granting the Defendants' request to file documents under seal. Good cause having been shown, the court finds that the parties possess an overriding confidentiality interest that overcomes the right of public access to the record in the following documents:

- a. Portions of the Defendants' Sur-Reply in Opposition to Order to Show Cause Re Preliminary Injunction;
- b. The Supplemental Declaration of Romi Mayder, including exhibits;
- c. The Supplemental declaration of Dr. Richard Blanchard, including exhibits;
- d. The Declaration of Ben Francois, Investor in Silicon Test Systems, Inc;
- e. The Supplemental Declaration of Dick Weber of Intel Corporation, including exhibits;
- f. The Declaration of Kevin M. Pasquinelli in Support of Defendants Sur Reply for Order to Show Cause Re Preliminary Injunction, including exhibits;

The parties' overriding confidentiality interests support sealing these portions of the record. A substantial probability exists that the parties' overriding confidentiality interest would be prejudiced if the record is not sealed. The proposed sealing is narrowly tailored, and no less restrictive means exist to achieve the parties' overriding interests.

It is therefore ordered that the Defendants' Administrative Motion For Leave To File Documents Under Seal is GRANTED.
